About me and what I'm looking for

LA is full of people who spend money they don't have, buying things they don't want, to impress people they don't like! This is not me! LOL ...I feel comfortable being casual eating pizza watching TV on the couch, or at a black tie affair... I LOVE cooking! ...I enjoy intelligent conversation as well as laughs and fun! Love travel. Looking for someone who is intelligent...must have brains! Someone who laughs alot! Must have a positive attitude. Someone who is not concerned about being seen, and who they see...or materialist...no typical LA girls please who ask you to take them shopping on the 2nd date..or someone who is impressed with the fancy cars or house. Someone real and down to earth..athletic..classy...beautiful inside as well as outside who is concerned with

my house!

health, nutrition and keeping fit. And please ...if you are in therapy, on anti-depressant drugs, or had plastic surgery to make your self look more "beautiful and sexy", I am NOT interested!! :) That means if you have had a nose job, a boob job, liposuction, sorry, but you are not for me! I am an entrepeneur, author, and consumer advocate. My newest book "Natural cures they don't want you to know about" tells you who I really am. If you think you are on the same path...maybe we can take the journey together!

Looking for a fun, intelligent, sexy, attractive women who likes travel...excitement...and romance! Someone who knows what a book is and how to read it. You should be able to run up a flight of stairs without passing out! You should have a great sense of humor and a positive easy going attitude. If you complain and bitch all the time..you are not for me. If you are concerned about what people think about you...and have an all consuming desire to "make it big"...You are not a match for me. You should believe that health, family, friends, and fun are the most inportant thinks in life! LOL...
